

Decoupaged Map Letter

Create this creative decoupage map letter using your favorite map print and a wood letter of your choice!

Materials Checklist

- Wood letter #0993-B (or your choice of letter)
- Map print of choice
- Brown and black ink pads of choice **optional*
- X-acto knife
- Mod Podge
- Paintbrush

Instructions:

1. Print off a map image of your choice or use an existing map. Place facedown onto your work area. Place letter facedown onto paper. Trace letter with a pencil and cut out with a sharp X-acto knife.
2. Mod Podge the map paper to the letter and allow to dry completely.
3. If desired, ink edges with a brown and a black inkpad.
