INSTRUCTIONS:

1. Close 2 Silver rings and attach a twist tie. Attach 2 Gunmetal rings to the Silver rings. Attach two 10mm Pink rings to the Gunmetal rings.
2. Hold vertically with twist tie hanging down. Spread the two Pink rings apart, letting them drop down to either side of the Gunmetal rings. Spread the Gunmetal rings apart and push up inside edges of the two Pink rings that were just dropped to either side. Attach 2 Silver rings to these pushed-up Pink rings.
3. Attach two 10mm Pink rings to the Silver rings just added. Attach 2 Gunmetal rings to the Pink rings just added. Holding vertically with twist tie hanging down, spread apart the top two Gunmetal rings, letting them drop to either side of the Pink rings. Spread Pink rings apart and push up the inside edges of the Gunmetal rings that were just dropped to either side. Attach 2 Silver rings to these pushed-up Gunmetal rings.
4. Attach 2 Gunmetal rings and one 12mm Pink ring to the two Silver rings just added. Shift the 12mm Pink ring so it lies between the two Gunmetal rings.
5. Attach fishhook to the two beginning Silver rings (that have twist tie attached), using 1 Gunmetal ring. Remove twist tie.
6. One earring is complete. Repeat Steps 1 through 5 for second earring.
